

Physical Education School Improvement Priorities 2022 - 2023

To extend the variety and quantity of competitions we attend through the School Games Partnership in T & W

Increase the pupil voice in PE through appointing PE ambassadors to promote wellbeing through sport across the school.

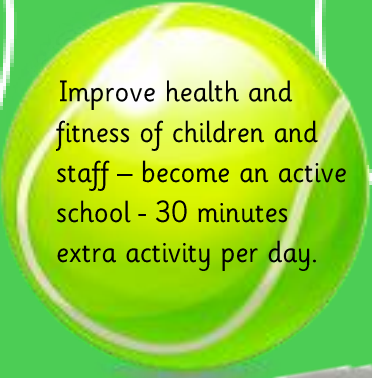

Ensure and monitor the skills progression throughout the primary Physical education curriculum from EYFS to year 6.

Continue to promote challenge and excellence through awarding belts in Karate and gradings in the Summer term

To aim for 100% of pupils to be able to swim at least 25m by the end of Key Stage 2.

Improve health and fitness of children and staff – become an active school - 30 minutes extra activity per day.

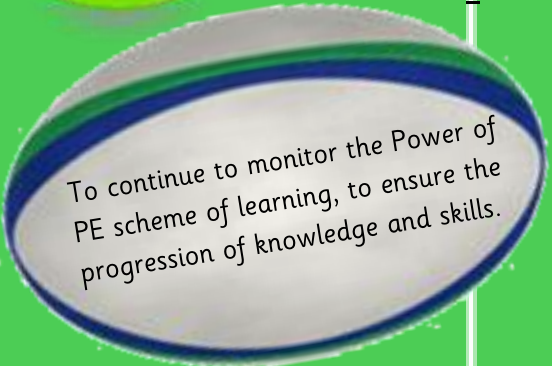

We are going for our Gold School Games Mark

To use the Sports ambassadors to provide pupil voice for their classes to develop PE and fitness within school.

To audit and monitor the range of PE resources/equipment we have in school. Ensure that the PE equipment is maintained appropriately.

To continue to monitor the Power of PE scheme of learning, to ensure the progression of knowledge and skills.

Provide an increasing range of extra-curricular activities based on the T & W School Partnership competitions.

To provide outdoor play resources to encourage sport and fitness at playtime appropriate for each key stage.
