Curriculum Overview and Statement of Intent, Implementation and Impact Religious Education

Safeguarding

Safeguarding is at the centre of everything we do at St Matthew’s, we aim to ensure that everyone working in our school understands and adheres to their safeguarding responsibilities. We have a duty of care to all staff, pupils and their families. The safety and protection of all children is of paramount importance to all those involved in education. We are committed to inter-agency working to keep children safe. Together as a school community we provide a caring, positive, safe and stimulating environment, which promotes the social, physical and moral development of the individual pupil, whilst paying due regard to the protected characteristics of every child.

Equality and Diversity

As a Church of England Aided Primary School, St. Matthew’s school is rooted in Christian values and TEAM spirit, we aspire to be an innovative and inspiring community where every individual is provided with the opportunity to flourish spiritually, morally, emotionally, physically and intellectually. We are ‘Individuals working to potential with God’.
