Sir Ernest Shackleton's expeditions took place during the Heroic Age of Antarctic Exploration, a period between the late 19th century and the start of the First World War in which many explorers attempted to scientifically and geographically explore the Antarctic continent. Shackleton was able to successfully explore the Antarctic several times, though not without enduring several dangerous challenges that he encountered while on his expeditions.</p> 	<p style="text-align: center;">PSHE</p> <p>As members of our community, we will..</p> <ul style="list-style-type: none"> In this Puzzle, the children learn about families, that they are all different and that sometimes they fall out with each other. The children practise methods to calm themselves down and discuss the 'Solve it together' technique. The children revisit the topic of bullying and discuss being a witness (bystander); they discover how a witness has choices and how these choices can affect the bullying that is taking place. The children also talk about using problem solving techniques in bullying situations. They discuss name calling and practise choosing not to use hurtful words. They also learn about giving and receiving compliments and the feelings associated with this. 		<p style="text-align: center;">PE - Outdoor</p> <p>Multi-skills:</p> <ul style="list-style-type: none"> We will be learning to follow instructions.
