This half term's value: Trust

Remembrance Day - Remembering Together

On Remembrance Day, our Year 6 pupils led a thoughtful presentation to the whole school. They shared their learning about the importance of remembrance, reflecting on the sacrifices made by those who have served and continue to serve. Their presentation was respectful, informative, and well delivered, helping us all to pause, remember, and reflect together.

Across the school, pupils have taken part in a range of Remembrance activities, including crafts, artwork, reflective writing and class discussions. These activities have helped children understand the importance of remembering and honouring those who have served and sacrificed for others.

Debate Team Success

Our school debate team recently took part in a debating competition on the argument 'Should everyone be forgiven?' We are delighted to share that they were crowned winners! The children impressed with their confidence, teamwork and well-reasoned arguments.

They listened carefully, spoke clearly and responded thoughtfully to opposing viewpoints. The competition was a great experience, helping pupils develop their oracy, critical thinking and public speaking skills while representing the school with pride. We are incredibly proud of their achievement and the maturity they showed throughout the event. Congratulations to all involved!

KS1 Christmas Performance

Year 2 children have now received their parts and lines for our upcoming Christmas performance 'Star School'. If possible, please spend some time with your child practising these at home to help them become familiar and confident with their part. We will be continuing to learn these in school but any additional support you can provide is greatly appreciated and will help the children feel more confident and prepared for the performance. Your child should have a copy of their script to use at home. If you are unable to locate it or would like another copy, please contact your child's class teacher, who will be happy to provide one.

Prayer of the Week

Dear God

We remember those who stood for love and truth,

And thank you for the sacrifice they made for me and you.

Thank you that we can now enjoy peace and learn to love not fight,

Thank you that we can now sing and play, and not be scared or hide.

We pray for other countries where children live in fear,

And there is war and fighting and many are in tears.

Please help to make things better, and bring some peace to them.

Protect all those who try and help to make friends again.

Amen

KS2 Christmas Songs

Some of the children in KS2 have asked for links to the Christmas songs that they will be singing in the concert. At the moment the children can only access these songs through Youtube as they are not available on Youtube Kids. We have added the links below but please be aware that adverts may pop up before a song plays so parent monitoring is advised.
