

### Neighbour

Any living person on earth.

### Generosity

Being kind and giving.

### Fundraising

To raise money for others.

### Unselfishness

Putting others before yourself.

### Outcomes

- Explain why it is important for people of faith to care for the world God has given to us all.
- Know that sharing is important.
- Know some of our responsibilities as members of a community.
- Know how we can give and care for others.

*How can I make a difference in the world?*

The Christian Values help us to be caring.

Stories in the Bible teach us about how we should treat the world.

We all have a responsibility to look after the world.

The Christian Values of service and generosity help us to look after the world.

The Golden Rule—Treat others as you would like to be treated.
